## NATIONAL CONFERENCE/FESTIVAL AID APPLICATION

District 428 music students who have been individually accepted to a national-level music conference, competition, or festival may request financial aid from Music Boosters using this application. Aid may be awarded in varying amounts, up to \$125.00, but is not guaranteed. Please submit request as soon as you are notified that you have been accepted, preferably one month before the event.

This application is for individual students, not ensembles. Directors seeking aid for ensembles to attend an event should use the regular Director's Request Form.
